A PORTRAIL.

Court Judge by the great Radical leader, rus earpet-begger that we commend it t the Northern people as a guage whereby they can messure our endurance, forbearance and patience with that class, We expect to be able to publish Hux-TER's picture of Lewis in a few days, a pleture that we presume will complete the Radical portrait gallery now rapidly filling up from the hands of those two great Radical masters.

"THE IMPERIALIST." On our first page we present extracts alons of a class all-powerful though small—the bond-holders. As long as with contempt and disobadience by the them to prosperity and a good Govern-these exist, as long as there is a public people. "Propositions made by the ment. He also charges that Johnson is debt through which they can draw upon the very life of the people, so long will the Republic be threatened with annihilation in favor of an Empire that will guarantee them their unlawful and unjust gains, and sesure them a social status that neither their pretensions nor money can now secure for them. These extracts are addressed to the thinking few, and by them will be pondered as warnings, no bigger than a man's hand, of the storm that is sure to come, unless prompt relief, or the last resort-regudiation-intervense to save us.

WHAT LEFTWICH HAS TO CONTEND

THE almost folly of an attempt to get justice from the Radical majority in Congress has been well illustrated of latin the reports of the House Committee on Elections. In every instance the Radical contestants have been able to prove what they wanted, and have been sustained in the seats they unworthily fill by the Radical majority Orieans, Jackson and Grest Northern | Sasses, and preparations made to remove | The Supreme Court to day disposed of of the Committee, and the adoption of their one-sided reports by the House received from the President, Engineer aged mines to-day. mittee, such conduct is not to be won- tension of the read to Decatur, Ala dered at.
